

Summary

- Recent MSc Chemistry graduate with a strong academic background and a passion for chemical research and analysis.
- Proficient in laboratory techniques, data analysis, and interpretation.
- Detail-oriented with excellent problem-solving skills, able to apply theoretical knowledge to practical situations.
- Highly motivated and eager to contribute to scientific advancements and innovation in the field of chemistry.

Experience

Fresher

Technical Proficiency

<i>Laboratory Techniques</i>	titration, chromatography, spectroscopy, and microscopy
<i>Safety and Compliance</i>	Understanding of safety protocols and regulations in laboratory settings, ensuring adherence to industry standards and best practices.
<i>Organic Synthesis</i>	Knowledgeable in organic synthesis techniques including reactions, purification, and characterization of organic compounds

Academic Qualification

Study	University / Board	Year	Percentage
M.SC. (Organic Chemistry)	V.N.S.G.U (Veer Narmad South Gujarat University)	2024	69.60%
B.SC. (Chemistry)		2022	64.10%
H.S.C	G.S.H.S.E.B (Gujarat Secondary and Higher Secondary Education Board)	2019	51%
S.S.C		2017	65%
